CANADA'S DOUBLE PORTION from North Battleford, Saskatchewan, Canada, has become one of the busiest Canadian Gospel groups since its formation in 1982. **They've crisscrossed the country from Newfoundland to British Columbia, Nashville to Alaska, performing to thousands of people and travelling tens of thousands of miles.**

The group originated when the Hemmerling family, three sisters and their brother began singing while their father ministered. Duncan Hemmerling, now an ordained reverend, continues on the calling with his wife Debbie and their eight children. Their oldest son Andrew is the group's drummer and joining him on stage are his brother Jardeth, the group's guitarist, who also adds his smooth vocals and his sister Christina who plays fiddle and provides strong vocals. The rest of the Hemmerling children - Bronson, Madison, Moriah, Olivia and Octavia join the family on stage for several songs. Multi-talented Amy Olson rounds out the five piece band on fiddle and vocals.

Since beginning full-time ministry in August 1990, there have been many opportunities to share the gospel message. They have appeared on the Grand Ol' Opry stage, were guest artists of the legendary Cash family and the largest county fair in the U.S.A. **They have performed numerous times at both the Artist Spotlight Showcase during the National Quartet Convention in Louisville, Kentucky and the Canadian Gospel Music Celebration in Red Deer, Alberta.** Tours have taken them to all of Canada as well as thirty-six States including T.V. appearances on local, national and international shows.

Abundant songwriting talent has resulted in fourteen albums, three recorded in Nashville, Tennessee produced by Dove award nominees Vic and Toni Clay. **They have received numerous award nominations in both the Saskatchewan Country Music Association and the Gospel Music Association Canada (GMA Canada). They have been honored with the Country Gospel Song of the Year, Album of the Year, Live Band of the Year and Southern Gospel Song of the Year Awards.**

CANADA'S DOUBLE PORTION'S strong family ties and deep faith in the Lord has sustained and motivated them to bring their music to people everywhere. They count it a privilege to minister in any setting.
