Dear Duncan,

August was another month with a variety of things keeping us very busy. We are trying to remember in the midst of the hectic pace that the Lord is giving us the desires of our hearts. That desire being the opportunity to travel and share His love and mercy.

Camp time....

We spent the end of July and the first part of August at our family camp, Wilderness Ministries, on the shores of Tobin Lake. We got to lead the services with Praise and Worship and share some special music. There was anointed teaching and preaching from Russell Stendal of Colombia, South America and Paul Tucker from Minnesota. It was an awesome seven days of refreshing. Our kids enjoy not only the services but being with friends & cousins, playing volleyball and swimming in the afternoons.

Jamborees, Family Reunion....

We were home only three days and we headed to Burns Lake, BC for Sonfest. What was extra special about Sonfest was that Andrew & Jardeth's Youth Band "Cities Under Fire" was along with us. The boys (photo) played on Friday and Saturday night. Our group sang on Saturday night as well and lead the Sunday morning Community Church service. We also stopped in Vanderhoof and ministered at Nechako Community Church on the Sunday evening.

Funk Family Reunion - On the third weekend of August, Debbie's Family had a "Family Funk-tion" at Blue Mountain Resort. All 15 Kids were able to be there along with most of the 56 Grandchildren and 10 Great Grandchildren. Family came from

had with lots of visiting, a zip line, paint ball, volleyball, swimming and much more.

On the Sunday night after the Reunion we sang outdoors in North Battleford for the "ROC Jamboree" along with Cities Under Fire and The Kashubas. The boys also spent seven days early in August at the Shiloh Youth Ranch ministering at their final Camp of the season

Block party, U.S. tour.....

On the fourth weekend of August we headed to Regina, SK, our Province's Capital City. We spent Sunday morning ministering at Avonhurst Pentecostal Assembly and then rushed over to sing at a "Block Party" held by Faith Baptist Church. We are thankful for every opportunity we get to minister outside the walls of the Church.

Start of our U.S. Tour....

After returning from Regina we spent two nights at home frantically preparing for our long U.S. Tour. We left on Tuesday, August 26 from North Battleford and headed to Slave Lake, AB for two nights of a tent revival with Allan O'Soupe. On Friday, August 29th we did a concert during the Fall Fair in Smith, AB. Then it was off the next morning and a 11 hour drive before crossing the border into Montana. On the final day of August we ministered in Cut Bank, MT and Conrad, MT (photo). Both concerts were supposed to be park concerts but it poured rain all day.

At Press Time....we are in North Carolina heading to Virginia. In three days we are heading to London, ON where Starcrown Coach will continue installing our Agua Hot system. We can only be there about 4 days but the system is vital for heating the bus engine and interior during the cold winter.

We would appreciate your continued prayers and financial support.
