**Dear Duncan,**

July is one of our favorite months because it is the heart of Summer and also right in the middle of Jamboree and Camp season. We got to be involved in both.

Let me tell you about this exciting month.....

*Camps....*

*CAMPS - Trossachs Camp, July 3-6, 2007*

We were blessed to lead the Worship at Trossachs Bible Camp in Southern Saskatchewan. Having just spent the preceding 11 days in the United States in 4 different States it was awesome to be in one spot, worship the Lord and hear some good teaching and preaching.

We headed to Northern Saskatchewan to close out the month of July on the shores of Tobin Lake. This is our home Camp and we once again lead worship while sitting under the teaching and preaching of anointed speakers. The Lord especially challenged us through the ministry of Russ & Kim Kline of Hampton, VA.

*Jamboree/Festivals....*

*Jamborees/Festivals - HisFest, July 7/8, 2007*

We finished off our June/July 2 1/2 week US/Canada tour at HisFest near Edmonton, Alberta. The Jamboree located at beautiful Hastings Lake Lutheran Camp had our good friends The Daae Family, The Hunters & High Valley there as well as Three & Company, Tapestry Vocal Band and Jon Bauer.

*Canadian Gospel Music Celebration, Red Deer, AB, July 12-14, 2007*

This is the largest Southern Gospel Music event in Canada and we were blessed to be involved again this year. We had a 25th Anniversary display at our booth (*photo*) which celebrated God's goodness over 25 Years. Along with all the awesome Canadian groups that sang, U.S. groups like Gold City, Booth Brothers, Legacy 5, Truimphant Quartet performed as well.

*BMF Jamboree, Medicine Hat, AB, July 20/21, 2007*

The bandshell and park of Kinsmen Coulee was a beautiful setting for this Jamboree. We got to sing with two other musical families, The Fehr Family and the Jost Family. They helped us out greatly when we had bus/border problems in February. We also got to see our friends Herb & Crystal Taylor who travel and minister and Bob Davisson

of Lifeline Haiti.

*Churches, etc....*

Surrounding the Camps and Jamborees were some awesome opportunities in other settings. We sang at First Assembly of God in Luverne, MN and in the Park at Steen, MN (*photo*) on July 1st.

After the Canadian Gospel Music Celebration in Red Deer we ministered at Beverley Alliance Church in Edmonton, AB, July 15.

We sang July 22 during the two outreach services at Hillcrest Church in Medicine Hat for their Stampede Breakfast. We then moved over to Victory Lutheran Church for an evening concert. It was a tremendously busy but incredibly blessed weekend. God is Good!!

**Birth Announcement:** *Emma Aleta Olson*, June 12, 2007.  
Proud Parents: Michael & Lauryn Olson.

Michael sang and played with us for 7 years and Lauryn for the first 8 months of their marriage. They now travel with Lauryn's parents as The Kashubas.
